MEMORANDUM

DATE: February 7, 2008

TO: El Dorado County Transit Authority

FROM: Matt Mauk, Transit Services Assistant

SUBJECT: El Dorado Transit Employees Support Community Needs

REQUESTED ACTION:
BY MOTION, None. For Information Only.

DISCUSSION

Every year since 1997, El Dorado Transit employees have given graciously to non-profit agencies in our community. Each year the employees vote on one agency to support during the holiday season. For 2007 Transit employees provided items from the wish list of the El Dorado Women's Center. The children and women who are in difficult situations and supported by the staff and volunteers of the El Dorado Women's Center benefited from the efforts of transit employees.

In recognition of the many needs in our county, our 79 employees have supported various charities over the last eleven years, including the CASA Community Gift Tree, the CHiPs for Kids program, the Placerville Pines and Gold Country retirement communities, Toys for Tots and the El Dorado Women's Center.

*"I can honestly say...This was the best Christmas of my life...
Regardless of all the heartache I have experienced this year."*

*"I was so touched I cried while the kids were opening their gifts,
and I was so thankful to have a nice meal to cook."*

Dear Friends:

The staff, Board and clients of the El Dorado Women's Center would like to wish you a Happy New Year and thank you for your holiday gift. Your donation of miscellaneous Adopt-a-Family gifts valued at \$300.00 was greatly appreciated.

Remembering victims of domestic violence and sexual assault helped provide much needed support for individuals who were not experiencing peace and goodwill at home. Once again, thank you and best wishes for a happy, healthy 2008.

Sincerely,

Janette Robinson
Executive Director
