To whom it may concern,

We just wanted to take a moment to thank the staff of El Dorado Transit for all of their assistance in transporting Simon Chemavonian to and from the El Dorado County Senior Day Care program. Simon looked forward to going to this center every day, sometimes even asking about his bus on weekends and holidays. This was true until the very end, and the staff at El Dorado Transit helped to make this possible.

They were terrific in scheduling and fulfilling rides, while gracefully accommodating our changing needs. When calling to make ride arrangements, some staff would even ask about Simon and how he was getting along. In particular, we would like to make a specific mention about Chris, our bus driver. Chris is a wonderful man, who is always full of happiness and joy. He would greet Simon every morning with a warm and inviting smile, and he would safely return him each afternoon. Simon made special mention of Chris on a number of occasions, and it made our day go better knowing Simon was being well cared for.

Thank you again to all for your wonderful care of Simon, and the terrific service you all provide on a daily basis.

Sincerely and with love,

A handwritten signature in cursive script that reads "Linda Wilson + Wade Wilson".
