MEMORANDUM

DATE: November 5, 2009
TO: El Dorado County Transit Authority
FROM: Scott A. Ousley, Operations Manager 
SUBJECT: Grizzly Flat Route

REQUESTED ACTION:

BY MOTION, No action required information only.

BACKGROUND

The Grizzly Flat route operates one day a week (Thursday) providing service to the greater Placerville area from Grizzly Flat, Somerset and Pleasant Valley.

On April 2, 2009, public testimony was received regarding proposed service reductions due to significant loss of funding. Staff recommended the elimination of the Grizzly Flat route effective June 28, 2009.

Following public comment and board direction staff recommended a reservation system requiring a minimum of five (5) reservations prior to operating the Grizzly Flat route. The El Dorado County Transit Authority board approved a reservation "flex" route on June 4, 2009.

DISCUSSION

Since June 28, 2009 the Grizzly Flat route has received the minimum required reservations required with the following performance measures:

Total Trips	112*
Average trips per day	10.2
Trips per Hour	2.9
Trips per Mile	0.1

* Eleven (11) total service days

This is presented to report the status of the Grizzly Flat route as follow-up to the public forum in April 2009.
