Weekdays 9-3

GRIZZLY FLAT *Flex Route*

What is a flex route?
A flex route bus runs at a scheduled time, to set locations, but only when and where it's requested.

When does the Grizzly Flat Flex Route run?
If it has the minimum five (5) requests, the bus runs on Thursdays only from 8:00 to 10:00 in the morning and 3:00 to 5:00 in the afternoon.

Where does the Grizzly Flat bus go?
The bus goes from Placerville to Grizzly Flat and back by way of Pleasant Valley Road,

Mt. Aukum Rd. (E-16) and Grizzly Flat Rd. While in Grizzly Flat the bus can pick up along String Canyon, Winding Way, Capps Crossing, Evergreen and Blue Mountain Dr. If your not sure if the bus will come to your location, call our reservation line and give your address to our scheduler. Once in Placerville, you can transfer directly to any of our local fixed routes serving Placerville, Cameron Park, Shingle Springs, Diamond Springs, El Dorado, Pollock Pines and Camino; or take a

Dial-A-Ride for curb to curb service to most of the western slope of El Dorado County. Our Sac Med service can also take you to non-emergency medical appointments in the greater Sacramento area (Dial-A-Ride and Sac Med services require a separate reservation and fares).

How do I request the bus?

Call **(530) 642-3696**, weekdays, between 9:00 and 3:00 to request the Grizzly Flat bus. Ride requests are accepted up to fourteen (14) days in advance. Note that a minimum of five (5) requests must be received by the Tuesday before in order for the bus to run. If the bus is not going to run, the scheduler will call you back the day before to cancel your ride.
